

# Bryan M. Maitland, Ph.D.

Research Fish Biologist

## Curriculum Vitae

August 2025

📍 Rocky Mountain Research Station,  
USDA Forest Service, Boise, ID, USA  
✉ bmaitland101@gmail.com  
🌐 bmait101  
🌐 bryanmaitland  
🆔 0000-0002-4491-5064

## Employment

2024– **Research Fish Biologist**, Rocky Mountain Research Station, USDA Forest Service  
2023–2024 **Research Associate**, Dept. of Civil and Environmental Engineering, University of Wisconsin-Madison  
2022–2023 **EPA Postdoctoral Fellow**, Center for Limnology, University of Wisconsin-Madison  
2020–2022 **Water Resources Postdoctoral Fellow**, WI Water Resources Institute, University of Wisconsin-Madison

## Education

Ph.D. 2020 Ecology University of Wyoming  
M.Sc. 2015 Conservation Biology University of Alberta  
B.S. 2011 Conservation Biology *cum laude* SUNY: College of Environmental Science and Forestry

## Awards and honours

2024 Outstanding Service Award, USDA FS Rocky Mountain Research Station  
2021 Best Professional Presentation Award, Wisconsin Chapter American Fisheries Society  
2019 Dean's Graduate Scholar Award, College of Arts and Sciences University of Wyoming  
2018 Eugene Maughan Graduate Award, Western Division American Fisheries Society  
2018 Hank Gardner Graduate Award, Department of Zoology and Physiology University of Wyoming  
2017 Clemens-Rigler Award, Canadian Aquatic Resources Section American Fisheries Society  
2017 Board of Visitors Award, College of Arts and Sciences University of Wyoming  
2017 William Trachtenberg Scholarship, Sustainable Fisheries Foundation  
2017 Vern Bressler Fisheries Award, Department of Zoology and Physiology University of Wyoming  
2015 Excellence in Fisheries Award, Canadian Aquatic Resources Section American Fisheries Society  
2015 Clemens-Rigler Award, Canadian Aquatic Resources Section American Fisheries Society

## Research

- My current research focuses on the ecology, management, and conservation of freshwater fishes, with a particular emphasis on coldwater fishes in the Rocky Mountains, Pacific Northwest, and Great Lakes regions.
- Since 2015 I have authored 24 papers in peer-reviewed journals on fisheries and conservation (pages 2–3).
- On Google Scholar my h-index is 12 with total citations of 578 (as at 21 August 2025).
- I have coauthored 1 R package as a result of my research with a total of 1047 downloads (page 3).
- Since 2011 I have given or co-authored 38 presentations on my research (pages 6–7).

## Grants

- I have acquired \$108,073 in research grants since 2015.

## Specialized Skills and Certifications

### Field Skills

Fish Sampling	Electrofishing, netting, seining, trawling, angling
Aquatic Ecology	Water quality sampling, invertebrate sampling, aquatic vegetation sampling, habitat assessment
Identification	Fish (freshwater and marine), amphibians, reptiles, aquatic invertebrates, aquatic plants
Operations	Piloting and trailering small vessels, rafting, helicopters experience, orienteering
Other	Light machinery operation, small power equipment repair, minor electrical repair, handiwork

### Lab Skills

Fisheries	Fish aging (scales, otoliths), fish dissection, fish tissue processing
Aquatic Ecology	Water quality analysis (nutrients, chlorophyll a, turbidity), invertebrate processing, aquatic vegetation
Stable Isotopes	Sample preparation, light (C, N, O, S) and heavy (Sr) stable isotope analysis
Molecular	DNA extraction, PCR, qPCR

### Computer Skills

Operating Systems	Linux, MacOS, Windows
Programming Languages	R, Python, BASH, JavaScript
Markup Languages	Markdown, RMarkdown, CSS, HTML, LaTeX
Data Interchange Formats	CSV, JSON, XML
Other Languages	YAML
Version Control	Git
Text Editors	RStudio, SQL Server Management Studio, Visual Studio, Visual Studio Code
Microsoft Office	Excel, Outlook, OneNote, PowerPoint, Word

### Analytical Skills

Statistical Analysis	Generalized linear models, mixed effects models, Bayesian statistics, multivariate statistics
Data Visualization	ggplot2, base R graphics, leaflet, plotly
Data Management	Data wrangling and cleaning, data management with SQL
Spatial Analysis	R, QGIS, ArcGIS, Google Earth Engine
Package Development	R package development, documentation, testing, and maintenance

### Leadership Development

2021	Equity and Inclusion Workshop	EQT By Design via WI Sea Grant
2008	Leave No Trace Master Educator	Center for Outdoor Ethics, NOLS

### Certifications

2025	Wilderness First Aid	Wilderness Medicine Institute
2025	Advanced CPR and First Aid	American Red Cross
2014	Defensive Driving	USDA Forest Service
2018	Avalanche Safety Level 1	National Ski Patrol
2013	Electrofishing Safety	University of Alberta
2013	MOCC Federal Motor Boat Operator	US Department of the Interior

### Additional Academic Training

2008	Environmental Ethics	2 credits	University of Utah
2008	Group Leadership Techniques	2 credits	University of Utah
2008	Wilderness Skills Practicum, Backpacking	2 credits	University of Utah
2007	Wilderness Skills Practicum, River Travel	2 credits	University of Utah

## Society and Professional Service

### Ad-hoc reviewer

- I have served as an ad-hoc reviewer for 49 manuscripts from 15 journals since 2016 (~ 5.4 per year).
- 2025, Lake Champlain Fisheries Research Program, full proposal review
- 2023, NSF, Division of Environmental Biology, CAREER, full proposal review

## Society memberships

- 2010– Member, American Fisheries Society
- 2010– Member, Society for Conservation Biology
- 2010–2016 Member, International Association of Great Lakes Research
- 2015– Member, Ecological Society of America
- 2016– Member, Society for Freshwater Science
- 2016–2019 Member, Association for the Science of Limnology and Oceanography
- 2019– Member, Galápagos Conservancy

## Society leadership

- 2015– Member, Freshwater Working Group, Society for Conservation Biology
- 2016–2017 President, UWyo Student Chapter, American Fisheries Society
- 2016–2018 Excom Member, CO-WY State Chapter, American Fisheries Society
- 2020–2022 Member, Trout Species Team, Wisconsin Department of Natural Resources
- 2021–2022 Member, Fisheries Working Group, Wisconsin Initiative on Climate Change Impacts

## Conference organization

- 2024 Program co-chair, Science to Restore and Manage Wildland Aquatic Habitats and Watersheds, AGU Fall Meeting
- 2023 Workshop leader, Programming with R, Wisconsin Chapter American Fisheries Society Annual Meeting
- 2022 Workshop leader, Programming with R, Wisconsin Chapter American Fisheries Society Annual Meeting
- 2016 Program co-chair, Western Division American Fisheries Society Student Colloquium

## University involvement and service

### Invited talks and presentations

- *Freshwater science for tomorrow: advancing fish ecology, conservation, and management.* Wildlife Biology Program, University of Montana, Missoula, Feb 2025
- *Freshwater science in a changing world: fisheries research for conservation & management.* School of Freshwater Science, UW-Milwaukee, Milwaukee, Dec 2023
- *Fish and Freshwater in a Changing World: Science for Management and Conservation.* Rocky Mountain Research Station, US Forest Service, Boise, Apr 2023
- *Coldwater Fish in a Changing World: Actionable Ecology for Management and Policy.* Department of Ecology, Montana State University, Bozeman, Mar 2022
- *Exploring isotopic niches in Rocky Mountain Great Plains stream fish.* Dept. of Zoology & Physiology, University of Wyoming, Laramie, May 2017

### Committees, Groups, and Councils

- 2022–2024 Field Operation Facilitation and Boat Committee, Center for Limnology, UW-Madison
- 2019–2020 Faculty Search Committee, Department of Zoology and Physiology, University of Wyoming
- 2016–2020 Social Media Coordinator, Program in Ecology, University of Wyoming
- 2016–2017 Graduate Council, student representative, University of Wyoming
- 2016–2017 President, Program in Ecology, University of Wyoming

### Teaching

- |           |                                      |                       |
|-----------|--------------------------------------|-----------------------|
| 2020      | Instructor, Ichthyology              | University of Wyoming |
| 2016–2019 | Lab Instructor, Ichthyology          | University of Wyoming |
| 2015      | Lab Instructor, Fisheries Management | University of Wyoming |
| 2013–2014 | Lab Instructor, Fisheries Management | University of Alberta |

### Mentoring

- I have mentored 10 undergraduate students as research assistants in lab and field settings at the University of Wyoming and University of Wisconsin-Madison.

## Public Service and Outreach

### Public Lectures

- *Climate change, extreme weather, and stream trout in Wisconsin.* Trout Unlimited, Madison, WY, Mar 2022
- *Stream culverts and fish: the good, the bad, and the ugly.* Pinedale Science Café, Pinedale, WY, Aug 2017
- *Culverts as culprits: how road crossings affect fish.* Laramie Science Café, Laramie, WY, Jun 2016

### Selected Media

- Milwaukee Journal Sentinel, Jan 2023. "Climate change is making Wisconsin trout more vulnerable to floods and heat". (Also covered in separate stories on WPR Public Radio)

- Water Blogged, Dec 2022. "A Tale of Two Fishes: Study Maps the Future of Trout Populations in Wisconsin"
- UW-Madison News, Dec 2022. "Study maps uneasy future of Wisconsin trout populations"
- The Tributary, Nov 2017. "Stuck in a rut in Anaconda? Crash a cutthroat spawning party!"

## Service

2022–2023	Food service volunteer	Ronald McDonald House, Madison, WI
2016–2020	Science outreach and stream ecology field trips	Laramie High School, Laramie, WY
2016–2019	Group leader, Wyoming Bio-Blitz	Biodiversity Institute, University of Wyoming
2016–2018	Big Brother	Big Brothers Big Sisters of Wyoming
2017–2018	Habitat restoration projects	Girl Scouts of America
2016–2017	Science judge	Wyoming State Science Fair

## Presentations

### Invited

1. **Maitland, B. M., Voter, C. B., Guerrero-Bolaño, F. J., Latzka, A. W., & Hauxwell, J. A. (2021).** *Tackling Wisconsin's water challenges through UW Water Science-Policy Fellowships and agency partnerships* [Paper]. Wisconsin Water Week, Virtual.
2. **Maitland, B. M. (2024).** *Testing food web theory in a large lake: The role of body size in habitat coupling in Lake Michigan* [Paper]. ASLO Annual Meeting, Madison, WI.

### Offered

1. Discenza, J. D., O'Malley, B. P., **Maitland, B. M.**, & Fernando, D. (2011). *Analyzing the genetic variation in American Hart's tongue fern* [Poster]. SUNY: ESF Spotlight on Student's Research, Syracuse, NY.
2. **Maitland, B. M., Farha, S. A., Darnton, R. W., Smith, K. R., & Riley, S. C. (2012).** *2012 Avian botulism environmental sampling in Sleeping Bear Dunes National Lakeshore* [Paper]. Workshop on GLRI Project no. 73 and 91 USGS/NPS Meeting, Empire, MI.
3. **Maitland, B. M., Poesch, M. S., & Anderson, A. E. (2014).** *Stream crossing impacts on freshwater fish and instream habitat in Alberta* [Paper]. Canadian Conference for Freshwater Fisheries Research, Yellowknife, NWT.
4. **Maitland, B. M., Poesch, M. S., & Anderson, A. E. (2014).** *Stream crossing assessment procedures as a tool for mitigating impacts on freshwater fish* [Poster]. Columbia Mountain Institute of Applied Ecology's Resource Roads Conference, Nelson, BC.
5. **Maitland, B. M., O'Malley, B. P., O'Brien, T. P., Armenio, P. M., Watson, N. M., & Roseman, E. F. (2014).** *Zooplankton community dynamics in a northern Lake Huron embayment: The influence of water temperature and larval fish abundance* [Paper]. IAGLR Annual Meeting, Hamilton, ON.
6. **Maitland, B. M., Poesch, M. S., & Anderson, A. E. (2014).** *Stream crossing impacts on freshwater fishes: Implications for management* [Poster]. Forest Industry Lecture Series, Edmonton, AB.
7. Hirschfield, F., Anderson, A. E., **Maitland, B. M.**, Wagner, M., Zaichkowsky, M., & Mottishaw, C. (2014). *Integrating science and management to improve sustainability of forested watersheds in Northwestern Canada* [Poster]. SAF National Convention, Salt Lake City, UT.
8. Daniels, S. E., Fitzpatrick, T. A., & **Maitland, B. M. (2015).** *Idiosyncratic resource use by Laramie raccoons: Are trash pandas, trash pandas?* [Poster]. Stable Isotope Ecology Symposium, Laramie, WY.
9. **Maitland, B. M., Poesch, M. S., & Anderson, A. E. (2016).** *Culverts in forested watersheds: Impacts and restoration methods for native freshwater fishes* [Paper]. Colorado/Wyoming Chapter AFS Annual Meeting, Laramie, WY.
10. Annear, A. A., **Maitland, B. M.**, & Rahel, F. J. (2016). *Stable isotope quantification of resource use by crayfish in the Laramie River to inform lotic food web analyses* [Poster]. Colorado/Wyoming Chapter AFS Annual Meeting, Laramie, WY.
11. **Maitland, B. M., Poesch, M. S., & Anderson, A. E. (2016).** *Culverts in forested watersheds: Impacts and restoration methods for native freshwater fishes* [Paper]. SFS Annual Meeting, Sacramento, CA.
12. **Maitland, B. M., Walker, R. H., LaSharr, T. N., Rosin, M., & Ben-David, M. (2017).** *The fate of juvenile salmonids stranded in flood ponds: Implications for nutrient transfers* [Paper]. Utah and Colorado/Wyoming Chapter AFS Joint Meeting, Grand Junction, CO.
13. **Maitland, B. M., Walker, R. H., LaSharr, T. N., Rosin, M., & Ben-David, M. (2017).** *Juvenile salmonids stranded in flood ponds of Alaska* [Paper]. Program in Ecology Symposium, Laramie, WY.
